

ASHOKA  
**COMMUNITY**  
OFFERS

25/26

# JOIN THE COMMUNITY!

The Ashoka Community creates spaces for our community members to experience, learn and practice changemaking.

We offer a variety of events, learning journeys and opportunities to collaborate and encourage you to check out our current offers.

Open to all Ashoka Fellows and their team members, Young Changemakers, Ashoka Support Network (ASN) members, Partners, School Change Leaders, allies and collaborators.

Discover our latest offers and deepen your impact alongside our global community of changemakers.

## CONNECT

Access all changemaking gatherings. In person, online and hybrid. Local and global. Big and small. Focused on one, or many sectors.

[More](#)

## LEARN

Learn the how-to's of changemaking through resources in a variety of formats and for all skill levels.

[More](#)

## COLLABORATE

Complex challenges require collaborative changemakers. Co-develop initiatives with others to achieve deep impact on the critical challenges of our society.

[More](#)

## EXPLORE

Deep dive in our changemaking repository. Toolkits, articles, podcasts and reports developed by and for our community.

[More](#)

# CONNECT

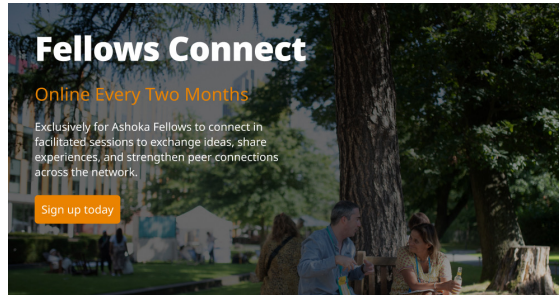

## Online & In Person Events

Join us throughout the year for in-person and online events – designed to help you connect, share, and grow within a global community of changemakers.

Are you an Ashoka Fellow, ASN member, Young Changemaker or staff member with an idea to bring our community together? We'd love to co-host an event with you! Check out our event guidelines to see how we can collaborate.

An online, self-paced course to design your own systems change strategy and collaborate with other leaders to create deep and lasting impact.

Self-paced

### Introduction to Leading Multi-Stakeholder Collaborations

A 4-week self-paced course developed by Ashoka and CoCreative to help you lead multi-stakeholder collaborations more effectively, equitably, and systemically.

Self-paced

### Changemaker Finance

A self-paced video series for social entrepreneurs to understand blended finance models and unlock new funding opportunities for social impact.

Self-paced

### Replication & Transfer

A self-paced course that guides you through designing and implementing a replication and transfer strategy using proven tools, case studies, and practical examples.

Self-paced

### Working with Government

An online, self-paced course that helps you develop strategies and tools for scaling impact through collaboration with governments and public institutions.

Self-paced

### How to Influence the Way People Think

An online, self-paced course to learn how to drive systemic change by shifting narratives, mindsets, and mental models.

Self-paced

### Systems Change for Bioregional Changemakers

An online, self-paced course focused on developing systems change strategies within the context of bioregional and landscape-scale development initiatives.

### Ashoka Learning Ecosystem

The Ashoka Learning Ecosystem ([ALE](#)) is a Spanish-language platform for learning, inspiration, and connection around social entrepreneurship and innovation.

# COLLABORATE

Partner with us to activate more changemakers

Gather around critical challenges – such as Migration, Biodiversity or Health Agency – and co-develop initiatives to activate more changemakers.

Build a society where every citizen can contribute, participate and actively engage in social change for the good of all.

[Find out more](#)

## Changemaker Europe

Changemaker Europe promotes participatory democracy across the EU, empowering citizens to shape social change and co-create a more inclusive future.

## Young Changemaking

Ashoka inspires every young person to see themselves as a changemaker, redefining success in growing up through empathy, leadership, and social impact.

## New Longevity

New Longevity reimagines aging for a world where one in six people will soon be over 65, promoting purpose, connection, and systemic responses to age-related challenges.

## Health Agency

Ashoka's Health Agency initiative builds health systems rooted in individual and community agency, advancing integrated and equitable solutions where everyone contributes to collective well-being.

## People & Planet

We're uniting changemakers worldwide to redesign systems for a regenerative, inclusive, and sustainable future.

## Biodiversity

The Bioregional Weaving Labs Collective, unites 25+ organizations to mobilize one million changemakers restoring one million hectares of Europe's land, rivers, and seas by 2030.

## Migration

This initiative envisions a world where migrants are recognized as changemakers, activating diaspora communities and reframing migration as a shared human experience.

## Tech for Humanity

Mobilizing changemakers to ensure technology serves human agency and democratic integrity, transforming digital systems for collective good.

# EXPLORE

Our changemaking knowledge

This is where we collect and organise all that is useful for the community to have access to.

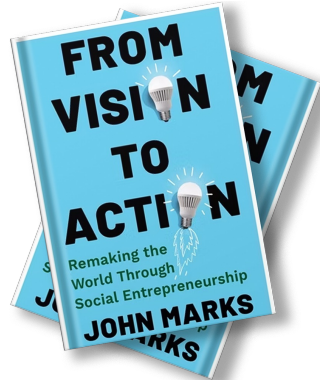

Materials may be varied, including handbooks, reports or podcasts. This is for you to consult, share and build on, at your own pace.
